

Step into Spring with the Fox Trot 5K Run/Walk!

The Batavia Mothers' Club Foundation proudly presents its 8th Annual Fox Trot 5K Run/Walk at 8am on April 27th, 2008. Beginning at the Batavia Riverwalk, our CARA Registered Race follows the scenic, relatively flat Fox River bicycle trail north to Fabyan Forest Preserve where it crosses over the bridges and loops back to the start. The top three overall male and female winners will be awarded trophies and prizes, and the top three male and females in each age group will receive commemorative medals. Be sure to bring the kids along, too, as we will have non-competitive kids' runs for preschoolers through fifth graders where every participant gets a medal!

Fox Trot proceeds benefit the Batavia Public Schools and other educational opportunities for local families. For more information, including a course map and registration link, please visit our website at http://www.bataviamothersclub.org/Fox_Trot.htm. You may also go directly to the online registration page at www.signmeup.com/58938. See you in the spring!
